Where an awning cannot fit, KE Durasol has a screen system that is just right for you!  
Add an extra layer of defense to protect from fading, sun glare & the elements.

Without Cassette

With Cassette

The patented DuraShade *Exterior Solar Screen Systems* are stylish & custom-made. These shade units decrease interior fading from damaging UV rays, save you money by reducing energy bills, and give you control over your home or business' lighting and privacy. These Exterior Retractable Solar Screen Systems compliment your home decor & look great! Perfect for sunrooms & solariums to improve comfort while maintaining your view.

- Designed to filter out up to 88% of the sun's negative effects
- Available in four standard frame colors
- Retracts into an optional self storing cassette house
- Three cassette size options available in 4", 5", and 6"
- Rod, Cable, Track, and Zip Rail guide styles
- Components are stainless steel & aluminum
- Premium grade screen fabrics

The strongest screen system in the industry, this efficient innovative new self locking zipper track locks fabric into siderails. Sun, Weather, and Insect Proof - 6" cassette available up to 26' widths

### 5" Cassette with Zip Track

#### Zip System Features:

- Buffer the wind
- Minimize the entry of insects & inclement weather
- Fabric runs smoothly inside the guide channels and locks into side tracks
- Assists in blocking outside noise
- Available with clear vinyl windows
- Great for screen room enclosures

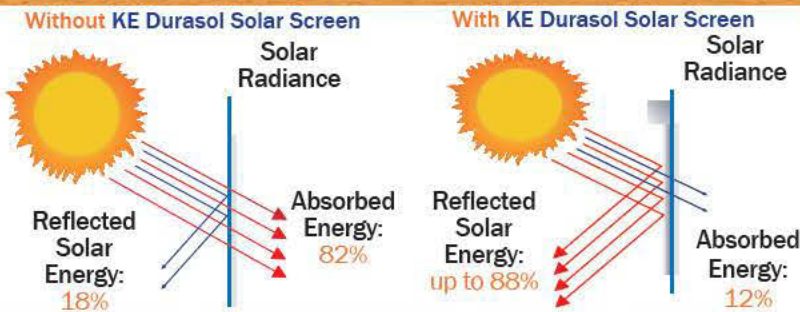

### 5" Cassette Zip Track with Clear Vinyl Windows

## Go Green and Reduce Heat Gain & Energy Cost

DuraShade systems effectively reflect up to 88% of solar energy, decreasing your home's temperature. Inside temperatures of homes protected by DuraShade systems can be up to 10°F cooler than non-protected homes.

## Motors & Electronics

KE Durasol incorporates state-of-the-art motors and electronics from American Heritage™. Your KE Durasol dealer will work with you to design a shading solution that allows from one touch wireless control to fully-automated functionality.

5 year warranty on all motors and electronics

Wireless Sun Sensor

Wireless Wall Switch

## Fabric Options

KE Durasol offers the benefits of durability, light and glare control with a large variety of fabric options & colors.

- Transparent - transmits light so that objects or images are seen through the weave of the fabric
- Translucent - transmit diffused light, eliminating perception of distinct images
- Blackout - provides advanced light blockage and privacy
